PROFESSIONAL SUMMARY

Currently volunteering remotely as a Web Developer at UNIMAC Cameroon. However, I have over 3 years of experience as a Junior Software Developer working collaboratively within development teams to build web-based applications and tools using Python (Django), C# (.NET), and JavaScript. Experienced in both frontend and backend development, including RESTful API integration, database design, and CI/CD workflows. Hands-on experience with Content Management Systems such as WordPress and Shopify for content updates and client support.

TECHNICAL & ANALYTICAL SKILLS

Languages: Python, C#, JavaScript, HTML, CSS	Frameworks & Libraries: ASP.NET MVC, Flask, Angular, React, Bootstrap	Web & CMS Platforms: WordPress, Shopify, REST APIs, responsive design, form handling	CRM & AI Automation Tools: Website form integration, customer communication workflows, Zapier, AI Automate	Backend & Scripting: Python scripting, ASP.NET (controllers, routing, views)
Databases: MySQL, SQLite	Version Control & Tools: Git, GitHub, Docker, Visual Studio, V S Code, Postman	Testing & Debugging: Pytest, browser developer tools, Visual Studio debugger	Customer & Web Support: Website content updates, product uploads, user support, documentation	Workflow & Practices: Agile, clean code, task breakdown, cross-functional collaboration

PROFESSIONAL EXPERIENCE

Web Developer Volunteer | UNIMAC CAMEROON | Leicester, United Kingdom | Part-time, Remote | August 2025-Present

- Collaborated with team to design, develop, and maintain a user-friendly, secure, and responsive website for UNIMAC.
- Ensured cross-device accessibility and integrated engaging multimedia content to enhance user experience.
- Supported organizational programs by implementing web-based tools and features.
- Provided technical support and delivered regular performance reports to improve site functionality.

Adult Workforce Care Home Administrator | Kirkland Care Ltd (Spence field Grange) | Leicester, UK | | Full-time, On-site | April 2025 – Present

- Managed and analysed resident data using internal digital systems; improved data workflows with automation in Excel and documentation aligned with CQC standards; worked with structured digital forms and data logs.
- Handling sensitive patient data in line with GDPR regulations, ensuring security and confidentiality.
- Assisting with monthly data audits, performance reports, and rota Editing to streamline staffing efficiency.

Healthcare and Data Support | Allag Care | Leicester, UK | | Full-time, On-site | April 2024 – January 2025

- Maintained and updated digital care records, ensuring accuracy in daily logs and compliance with GDPR and CQC standards.
- Monitored residents' health trends and contributed to data-driven clinical assessments through structured documentation.

Junior Software Developer | Sarab Web Solutions | Pathankot, India | Full-time, Hybrid | Jan 2020 – May 2023

- Worked as part of a collaborative software development team, contributing to the delivery of custom solutions for startups and small businesses using Python (Django), C# (.NET), and JavaScript (Node.js), under the guidance of senior developers.
- Contributed to the development of e-commerce features including product listings, cart systems, and secure payment gateway integration, including sprint planning, daily stand-ups, peer code reviews, and task tracking using JIRA.
- Used GitHub for collaborative version control and contributed to maintaining CI/CD pipelines for automated deployment.

Web Content & eCommerce Support Assistant | R. K Tuition centre | Pathankot, India | Part time (Remote) | Feb 2018 – Dec 2019

- Supported a small development team in managing and updating WordPress websites including technical support.
- Assisted with website content updates, theme configuration, plugin integration, and performance testing.
- Helped troubleshoot UI/UX issues, optimize product listings, and manage page layouts using built-in CMS tools. To ensured SEO-friendly content.

INTERNSHIPS

Intern | Infowiz Pvt Ltd | Mohali, India | Jan 2017 – May 2017

- Designed data-driven web apps for inventory and shipment tracking using C#/Asp.net.

CERTIFICATIONS

AWS Certified Developer | In Progress

PROJECTS

Task Flow – To-Do List App

Built a simple, mobile-responsive task manager.  github.com/Kumari Pawan/task flow

Patient Appointment Scheduling System

Developed a client-side appointment scheduler using JavaScript.  github.com/Kumari Pawan/patient-appointment-scheduling

Solent Travel Management System

Built a console-based travel booking.  github.com/Kumari Pawan/solenttravelmanagement

Solent University Clone Website

Created a basic multi-page website using.  github.com/Kumari Pawan/website

EDUCATION

MSc Computer Software Engineering | Solent University, UK | 2023 – 2024

Subjects: Software Design & Architecture, Web & Mobile Development, Cloud Computing & DevOps, Networking & Cybersecurity, Data Structures & Algorithms, Advanced Coding & Problem Solving, Research Methods, SQL & Database Systems, Data Visualization, GitHub Tools

MTech Computer Science & Software Engineering | I.K. Gujral Punjab Technical University | Jalandhar, India | 2020 – 2022

Subjects: Advanced Software Engineering, Machine Learning, Distributed Databases, Information Security, Cloud Computing, Data Warehousing & Mining, Data Structures, Python Programming, Tableau, Research Methodology

BTech Computer Science & Software Engineering | I.K. Gujral Punjab Technical University | Jalandhar, India | 2013 – 2018

Subjects: Database Management Systems, Data Structures & Algorithms, Object-Oriented Programming, Software Project Management, Operating Systems, Computer Architecture, Data Analytics Fundamentals, Mathematics, Applied Physics, Programming in C/Python

Secondary Education | ST. Thomas Senior Secondary School | Pathankot, India | 2012 – 2013

Subjects: Mathematics, English, Physics, Chemistry, Computer Science

Matriculation | Shiv Shakti Bal Vidyalaya | Pathankot, India | 2010 – 2011

Subjects: Mathematics, English, Physics, Chemistry, Computer Science, History/Geography, Hindi/Punjabi

LANGUAGES

Fluent in English, Hindi, and Punjabi
